

## **27 Creative Ways to Generate Fast Cash**

- Cash advance on existing Personal or Biz credit card
- Apply for a 0% interest credit card acct
- Take a loan against 401K (benefit: low interest, & pay YOURSELF back! lol)
- Cash in on stocks or mature bonds
- Apply for a private micro loan (\$500 unsecured from the bank) even monthly payments for these are less than \$100 if you pay off in 6 months - I've done several of these
- Business loan from the bank
- Loan from family member or friend
- Tax refund
- Inheritance
- Ask ppl who owe you money
- Splitting tender (Two or more different forms of payment in a single transaction; typically cash and credit card)
- Take a home equity loan (usually a *much* lower percentage rate than a credit card)
- Start a "Go-Fund-Me" for biz investments
- Request a cash advance from your employer and re-pay with 0 interest payments
- Apply for PayPal biz or personal line of credit (0% interest for 6 months!)
- Post stuff on eBay, LetGo, Craigslist, OfferUp - some ideas: shoes you haven't worn much, things you have multiples of, old furniture that you can let go of, things that you don't use that often, purses, hats, dishes, jewelry, expensive cookware that you rarely use, maybe exercise equipment that have become a conversation piece, home decor/paintings etc that no longer bring you joy
- Review your budget & assess things you're paying for that you no longer want or need...(check out the Albert app: <https://meetalbert.com/company/>)
- Sell handmade crafts
- Raid your change jar!
- Buy cheap bulk metal jewelry at garage sales and test w/ a high powered magnet for real gold & silver and sell back to precious metal dealers
- Increase your package prices for your services
- Download the iBotta app, where you can get cash rewards for buying everyday items
- Pick up "Free" stuff on Craigslist, and turn around and sell it
- Sell bomb ass photographs you've taken to photo agencies like Shutterstock, iStock, etc (<https://photography.tutsplus.com/articles/15-stock-photography-sites-to-sell-your-photos-for-beginners-and-pros--photo-1189>)
- Take a roommate, or rent out a room in your home
- Sell your creative services on Thumbtack or TaskRabbit
- Teach classes online through Udemy (<https://www.udemy.com/teaching/>)
